

# OUR 5-STEP PROCESS

ensures tangible ways to augment your intuitive decision making

**COSMIC NOVA**

## PRINCIPLES

### Objectives

- Identify your driving principles
- Clearly define each principle - tied to scripture
- Prioritize the principles

## REASON

### Objectives

- Confirm the decision problem at a macro and micro level
- Identify the key stakeholder interests

## INPUTS

### Objectives

- Confirm the assets being contributed by the user in the achievement of outcomes

## CONSTRAINTS

### Objectives

- Confirm the limitations on resources in the achievement of outcomes

## EXPECTATIONS

### Objectives

- Confirm anticipated performance dimensions
- Perform quantitative analysis

### Deliverable

- **Know Thy Self:** a comparative analysis of foundational principles

### Deliverable

- **Identify Your Purpose:** consensus decision problem and clear scope of work to achieve

### Deliverable

- **Make Transparent Contributions:** a clear description of the user inputs

### Deliverable

- **Acknowledge Limited Resources:** a weighted and rated assessment of constraints

### Deliverable

- **Map Performance Dimensions:** an ecosystem map with interdependency indicators and quantitative reports
